

JEREMY MILLER

Racing

WWW.JEREMY-MILLER.COM

Dear Sir or Madam:

Jeremy Miller Racing is a family owned and operated professional race team. We race in the USAR Hooters Pro Cup series which is nationally televised and travels throughout the Midwest and eastern United States. To successfully continue our endeavor in this sport we rely on companies' sponsorship.

In one season, our race team reaches thousands of people in person and over a million through national television. For just a fraction of the cost of one television advertisement, we can provide you a season long advertising campaign.

Please review the enclosed 2007 Media Kit. The entire Jeremy Miller Racing team will work hard to be the best representative for your company.

Sincerely,

Rod Miller
